

# Christmas has come to Oak Haven B & B

Everywhere you look is decorated, and glowing with the warmth and color of this Glorious Season.

We'll have sugar cookies & hot apple cider in our beautifully decorated house. Enjoy peace & quiet next to the sparkling tree and maybe we'll have snow!

**What are your family traditions?  
Can we share them with you?**

Want to bake cookies? We'll open up the kitchen!

Only want to decorate them? We'll buy the sprinkles!

**What's your "got to have" favorite Christmas dish? We'll prepare it for you!**

How about an old fashioned "English Tea" complete with flaming "Christmas Pudding" for Christmas Eve?

Christmas Morning we can serve you breakfast in your room, or you can join us in the dining room; your choice.

Christmas Day we can have Turkey, Ham or Roast Beef, with all the trimmings; again, you choose. Shall we have "gifts on the tree" as they did years ago?

Do we stuff stockings? Or do we read "A Christmas Carol" with a pot of Tea?

We want to make a Christmas you can enjoy without the work and worry.

**December 26th:** We'll send you off with another Oak Haven Breakfast and many blessings for the New Year.

---
